* All Lee Spring catalog products, except Cadmium plated Military Spec springs, are compliant with RoHS and REACH regulations. Mil-Spec Springs are part of the United States Defense Standard. They are used in a multitude of Military and Aerospace applications, both defense and non-defense related. Springs used in such applications are normally exempted from RoHS and REACH regulations. Customers, who select these springs for their commercial applications should be aware that Cadmium plated Mil-Spec springs, are not compliant with RoHS and REACH regulations.
